

regressionEmbindings.h

```
graph TD; A[regressionEmbindings.h] --> B[emscripten.h]; A --> C[bind.h];
```

The diagram illustrates a header file dependency structure. At the top, a gray rectangular box contains the text 'regressionEmbindings.h'. Two dark blue arrows originate from the bottom edge of this box. The left arrow points diagonally down and to the left to a white rectangular box containing 'emscripten.h'. The right arrow points diagonally down and to the right to a white rectangular box containing 'bind.h'. All boxes have a thin black border.
